- Some video notes:
 - The role of the Bible has now been diminished.
 - The courts now act like the British Parliament – our opinion is law!
 - It is critical to return to the Bible.
 - Thomas Paine:
 - Common Sense called for an American version of the Magna Carta (1215).
 - In The Age of Reason – he spoke against the Bible.
 - Most founders spoke against Paine.
 - Thomas Jefferson omitted Paine's words from the Treaty with Tripoli.
 - Connections between the Reformation and the American Revolution:
 - Wycliffe, Luther, etc. led to the Mayflower Compact in 1620.
 - Their purpose was the glory of God and the advancement of the Christian faith.

- Most saw Christianity as the religion of the United States.
- Adams connected Christ with the founding of the United States.
- God is the supreme Judge over nations (Judges 11:27).
- The US Constitution did not put Christianity on a level with pagan religions.
- **“By our form of government, the Christian religion is the established religion... and all sects and denominations of Christians are placed upon the same equal footing... and are equally entitled to protection in their religious liberty.”** ~ Justice Samuel Chase, Runkel v. Winemiller, 1799
- “This religion embraces the Bible as the Word, will, and Law of the Universal Sovereign...”
- James Madison: Referred to the pagan belief systems of this world as “false religions”.
- How did we go from a God-loving nation to a God-hating nation?
 - Our public schools are indoctrinating our children against our nation.
 - God's Law opposes sharia law!
- **IT IS CRITICAL FOR THE USA TO REPENT – NOW!**
